Terms & Conditions

These Terms & Conditions ("Terms") govern your use of the Clinical Hyperbaric website, equipment purchases. By accessing our website, purchasing equipment, you acknowledge that you have read, understood, and agree to be bound by these Terms in their entirety. If you do not agree, please do not use our services.

1. Medical Disclaimer

Clinical Hyperbaric chambers are not FDA-approved medical devices. Nothing provided by Clinical Hyperbaric — written or verbal — constitutes medical advice. Always consult your physician.

Hyperbaric chambers sold and operated by Clinical Hyperbaric are not FDA-approved medical devices for general use. Many customers report experiencing general wellness benefits from hyperbaric oxygen sessions; however, our chambers have not undergone FDA clinical evaluation for the treatment of any specific medical condition.

No information provided by Clinical Hyperbaric — whether on our website, in written materials, or communicated verbally by staff or representatives — constitutes, or should be interpreted as, medical advice, medical diagnosis, or a recommendation to treat any health condition. You should always consult with your qualified, licensed physician before Beginning any hyperbaric oxygen regimen with this equipment.

2. Your Responsibility as a User

By using our services and equipment, you acknowledge and accept the following responsibilities:

- **Medical Clearance:** It is your responsibility to consult with your physician and obtain medical clearance before using any equipment at Clinical Hyperbaric or before operating equipment purchased from us.
- **Assumption of Risk:** You acknowledge that the use of hyperbaric chambers and other wellness equipment carries inherent risks, particularly for individuals with pre-existing health conditions. You voluntarily assume all such risks.
- **Proper Use:** You accept full responsibility for using all equipment in accordance with the manufacturer guidelines and operating manual provided with each chamber.
- **Accurate Health Disclosure:** You are responsible for consulting your physician about your health status before purchasing or operating hyperbaric equipment, and for updating that consultation as your health changes.

3. Release of Liability

To the maximum extent permitted by applicable law, you hereby release, waive, discharge, and covenant not to sue Clinical Hyperbaric and its affiliates, officers, directors, employees, agents, and

representatives from any and all claims, demands, damages, causes of action, costs, and liabilities — known or unknown — arising from or related to:

- Your use or misuse of any equipment purchased from or used at Clinical Hyperbaric.
- Any adverse health event, injury, or medical condition experienced before, during, or after operating equipment purchased from Clinical Hyperbaric.
- Reliance on any informational content, testimonials, or communications from Clinical Hyperbaric or its staff.
- Failure to disclose accurate health information prior to use.

This release does not affect any rights you may have that cannot be waived under applicable state or federal law.

4. Equipment Sales Terms

All equipment sales are governed by the following terms:

- All sales of equipment are final except as expressly provided in our Refund & Return Policy.
- Equipment ships from our USA-based inventory. Shipping timelines are estimates and may vary based on carrier availability and destination.
- **Warranty — Residential Use:** All hyperbaric chambers sold by Clinical Hyperbaric include a **2-Year No-Fuss Warranty** covering defects in materials and workmanship for personal, residential use, measured from the date of delivery. The warranty does not cover damage caused by misuse, unauthorized modification, improper installation, or failure to follow the operating guidelines in the product manual.
- **Warranty — Commercial & Clinical Use:** Equipment deployed in any commercial, professional, or clinical setting — including but not limited to wellness centers, hyperbaric clinics, medical or chiropractic offices, spas, gyms, fitness studios, or any facility where sessions are provided to paying third parties — is covered by a **1-Year Warranty** only. Commercial and clinical environments subject equipment to higher duty cycles, increased occupancy frequency, and accelerated component wear that exceed the parameters of the standard residential warranty. The 2-year residential warranty is expressly void for any unit used in a commercial or clinical capacity.
Extended Warranty: Coverage beyond the standard term may be purchased at **\$3,500 per additional year**, available for both residential and commercial deployments. Extended warranty must be purchased before the standard warranty expires and is subject to the same coverage terms and exclusions.
- **Warranty Void Conditions:** Standard and extended warranty coverage — residential and commercial — is void in the event of unauthorized modification, physical damage, submersion, use outside of manufacturer specifications, or failure to perform required maintenance as outlined in the product operating manual.
- Clinical Hyperbaric reserves the right to refuse service or cancel an order at any time for any lawful reason, including suspected fraudulent activity.

5. Intellectual Property
